WHAT'S GOING ON IN OUR CLASSROOMS?

November

INFANT I

Hello families! As we move further into the holiday season in November, we will be learning about Thanksgiving through art. We will be learning more about shapes and patterns, sounds and textures. For our older babies, we will be working on walking and the younger crowd will work on crawling and standing. We also have fun little poems like "Glad I'm Not a Turkey" and "The Thank You Song." We will be reading *The Busy Little Squirrel*, *You Are My Pumpkin Pie* and *The Three Little Pilgrims*. We are thankful that we get to teach your littles. Try talking with them about what you are thankful for this month as well.

INFANT II

Hello from Mr. Malachi and Miss Barb in Infant 2. For the month of November, we will be doing the traditional giving thanks theme. Since the weather is supposed to be getting colder, don't forget to supply jackets for your little ones so that we can all enjoy some outside time! We will be sending some past artwork home so be prepared for the cuteness. Stay safe and healthy.

INFANT III

It's November and that means Thanksgiving! We will be learning about what we have to be thankful for: Family, Friends and Food! November is also National Literacy month so we will be learning good book habits to develop a love of books, which builds bonds, supports early writing & reading skills, enhances vocabulary and prepares our children for school success.

PRESCHOOL

Welcome to the month of November. We enjoyed our spooky Halloween theme last month. Our theme for this month will be Thanksgiving. Our colors are brown and yellow. For this month our shape will be a rectangle. We will continue our Zoo-Phonics friends. Our letters are G for Gordo Gorilla, H for Honey Horse and I for Inny Inchworm. We will continue our numbers 11 through 20. Thank you! Happy Thanksgiving!

Miss Tiffany

TRANSITION

Happy Fall!

We are now welcoming the month of November. For this month, we will introduce the kids to the upcoming holiday Thanksgiving. We will discuss what the holiday is all about. Also, we will ask them all what they plan on doing this holiday with their families. We'd like to encourage you to go over any upcoming holidays with your child. That way they begin to get familiar with it, and they can try their best to discuss it with you. In addition, we are continuing to learn about ABC's, the days of the weeks, months, and shapes during our circle time. On another note, we'd like to also thank whoever contributed to the Halloween party. The kids had a blast! Meanwhile, the weather is starting to get a little chilly. We would like for you to bring either a sweater or a jacket with your child. As we will continue to still have outside time. As long as the weather allows it. Thank you!

Hoppy Frogs

November brings us Zoo-Phonics friends Gordo Gorilla, Honey Horse & Inny Inchworm. The color is brown and that shape is the rectangle. November's letters are Gg, Hh and Ii. The numbers are 7-9. Themes will be Thanksgiving, Community Helpers and review. Thank you to all the parents who sent in movie munchies for our Halloween party.

Hoppy Frog helpful rules: Please- No toys from home "books and stuffies ok to bring." Label children's things so if not put away, it can easily be put in the right place. Please bring a change of clothes to be kept in cubbies. If you have any clothes your little one has out grown and would like to donate, we would greatly appreciate them.

Have a happy and safe November & Thanksgiving!

SCHOOLAGE

School age is looking forward to the holidays! We still have left over coats and clothes from summer. If your child is missing anything please have them check with me. We will be getting ready for the holidays and our fun activities. If your child has homework, please let us know so we can stay on top of it.
