WHAT'S GOING ON IN OUR CLASSROOMS?

INFANT CENTER

Infant center families, can you believe we are now welcoming April? Spring is now here. For this upcoming month it'll be a fun month for the infant littles. Our butterfly larvae arrived this month. It's been pretty fun seeing their growth every day. We're all excited to see them turn into butterflies. We are planning on having our annual Easter Egg hunt on April 15th. How exciting, right? Also, We will have an Easter party. Keep a look out for a sign-up sheet if you'd like to bring in any Easter goodies. In addition to this, the infant teachers will be reading exciting stories about Bugs Bunny, Thumper and The White Rabbit. We'll be doing some Easter arts and crafts. If you have any questions or concerns regarding your child, please don't hesitate to let any of the infant teachers know.

Thank you & Happy April!

PRESCHOOL

Hello everyone. Can you believe it is already April and spring has officially sprung? We are so excited because that means the weather is warmer and it is staying light outside longer. It also means we have butterflies in our classrooms again. We are so excited that you all get to come into our classroom again and see all of the amazing things we are doing and learning. This month we will be learning about butterflies and where they come from and talking about how the weather is changing. Our letters will be Nn, Oo and Pp. We will also be learning about other bugs that we might see. We are so excited because April also means Easter is here and so the bunny is coming and egg hunts are on the way. Our trike-a-thon is coming up soon too and it will be so much fun.

TRANSITION

Welcome back! This month we have 3 new friends moving up from the infant class and we couldn't be more excited to welcome them to our class. We also know Easter is coming up and we think the Easter Bunny is going to visit us this year. On Wednesday, April 13th we are going to do our Easter party so everyone can participate. There will be a sign up sheet in advance. We are still potty training and remember communication is key in this process. We are also still doing circle time, shapes, numbers, alphabet, days of the week, months of the year and weather. We are very excited for our warmish weather to start happening. We are also excited to watch our butterflies grow up so we can release them. Our next themes will be bugs/insects/butterflies.
