SUMMER SCHEDULING

Summer is quickly approaching! Please let the office know of any change in hours or days your child will be here. Also let the office know what your plans are for your School Age sibling if you have one. This is very important in our planning for appropriate staffing for the Summer. Thank you.

HALF-PRICE REGISTRATION

Next month we will start registering for the 22-23 year. All current clients who re-register in the month of June will get their family registered for \$25 instead of \$50. Please see the office with any questions or to make your payment.

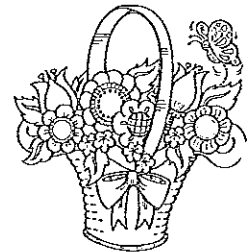

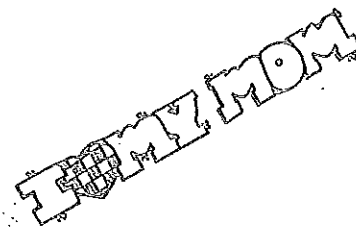

SUMMER CLASSROOM CHANGES

Summer is just around the corner. As usual, we will have a full School Age program. We are still deciding which rooms will be used for the School Age classrooms and will notify you of changes to you child's classroom in advance. Thank you for your patience during the transition time.

SUNSCREEN / WARM WEATHER

The weather is getting warmer. Please remember to sunscreen your child at home if they need it. We can apply the sunscreen in the classroom for children who have sensitive skin and need it re-applied throughout the day. If your child needs sunscreen applied at Kinderland, please bring in a spray sunscreen for your child and fill out a medication form.

The mornings are still chilly and the afternoons are getting warm. A light jacket or sweater is appreciated for the morning recess. Please, also remember that all sandals/flip flops must have backs.

Community Care Licensing and Kinderland Policies require that all parents sign in and out daily with a full legal signature.

SICK POLICY

Please remember that if your child has been ill with a fever, diarrhea or vomiting, we require them to stay home for 24 hours after the symptoms have stopped. For more serious conditions we may require a Doctor's note to return to care.

Please call the center before 10:00 if you will be arriving later than 10:00 and you plan to have your child eat lunch here. We have completed our lunch counts by then, and the proper amounts of food will be prepared based on our 10:00 counts.

WHAT'S GOING ON IN OUR CLASSROOMS?

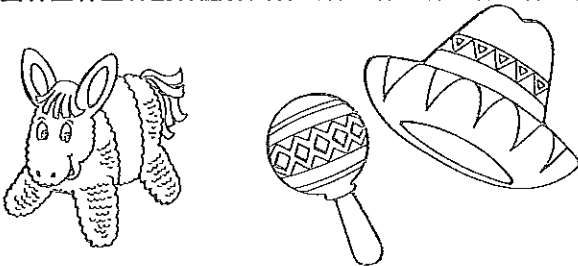

INFANTS

Hello from the Infant Center! May is going to be a fun month. We've got a couple of holidays to look forward to like Mother's Day, Cinco de Mayo and Memorial Day. We have some fun and exciting plans for each of them. We will also begin learning how to drink out of a regular cup. Overall, we are excited for this month and everything it brings. May the 4th be with you.

- Infant Staff

Drop off / Pick-up...

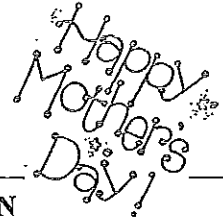

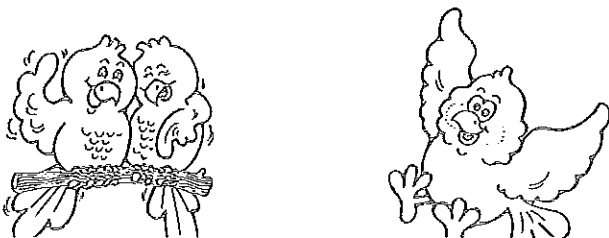

When dropping off / picking up your child, please remember that our teachers are supervising a classroom full of children. If you need more than a couple minutes to talk about any concerns or questions you have about your child's day, please make an appointment to meet with your child's teacher in advance. We need a one day advance notice for a meeting request.

PRESCHOOL

Happy spring preschool families. I hope everyone had a hoppy Easter. April showers are now bringing May flowers as we go from bugs to all things plants. We will talk about all the different kinds of plants and learn about what we need to make them grow big and healthy. We will continue learning our letters with Rr, Ss, Tt and Uu. May brings us some new beginnings as we introduce new teacher, Miss Crystal, into our classroom and sadly we have to say goodbye to Miss Skylar as she had to move out of town. We will miss her, but we know May will bring us lots of fun new challenges as we learn and explore together.

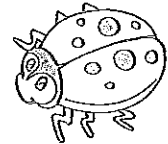

Miss Tiffany & Miss Crystal

TRANSITION

Welcome to the month of May. This month we welcome two new friends that just turned 2 years old. We will be learning about flowers since April showers bring May flowers and the colors this month will be pink & purple. The shape will be a star. At circle time we'll be learning shapes, colors and weather. In class we're trying to use our words and we talk about how biting hurts our friends and how we have gentle hands too. Parents don't forget the warm weather is coming. Make sure to bring a sippy cup.

- Miss Nicole & Miss Bard

SCHOLASTIC ORDERS

Ordering Scholastic books online is easy, and Kinderland earns a free book every time you order! Simply go to www.scholastic.com/bookclubs and enter **NJXXV**(all caps) as the class activation code. See Theresa if you need help. **Orders for May are due on Wednesday, May 25th.**

PRE-K

Hoppy Frogs

Thank you for bringing in yummys for the bunny party in April. It was a fun day with many treats, egg hunting and bunny actives. In April we also observed tiny caterpillars growing & changing into butterflies ending ultimately with the releasing of the colorful monarchs.

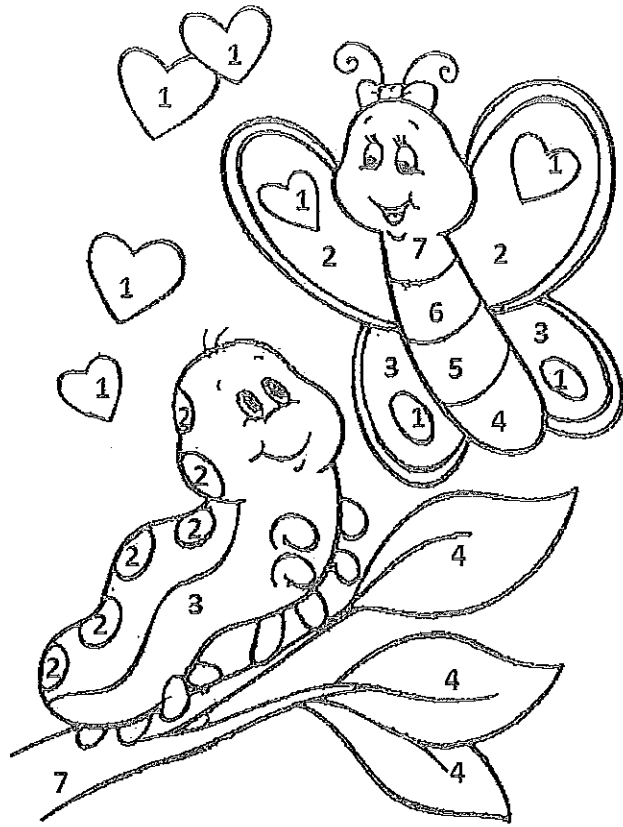

Yeah, we made it to May and are ready for the Hoppy Frog graduation on Friday, May 20th. The children have been practicing their songs and will be making their own caps. See you there at Kid's Kingdom.

May brings: Gardening, Graduation fun, Colors/Shapes all around us, Zoo phonic friends Xavier Fox, Yancy Yak and Zeke the Zebra.

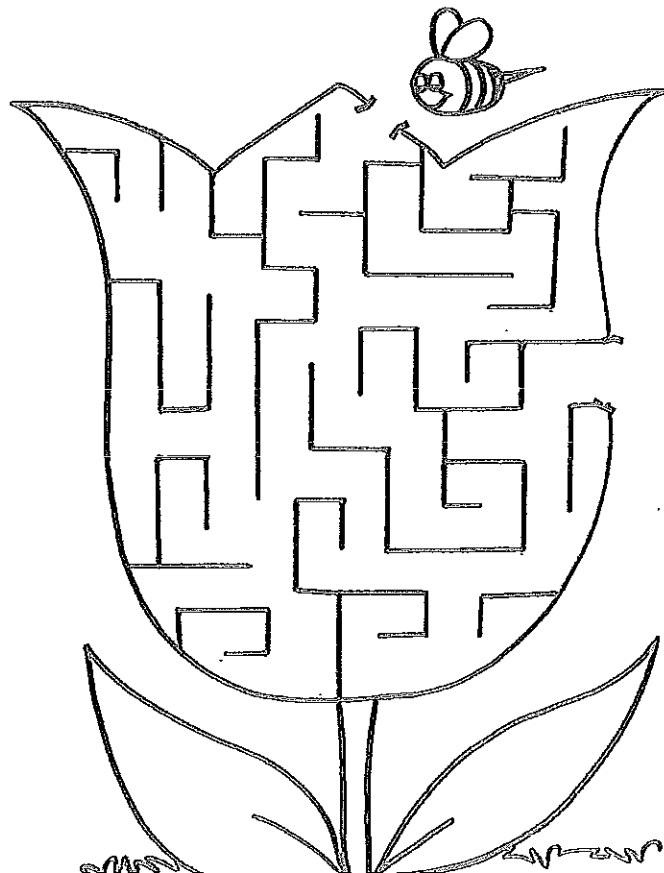

Helpful note please have backs on shoes. Thank you.

Miss Cyndi
