WHAT'S GOING ON IN OUR CLASSROOMS?

TRANSITION

Happy March! This month we will be focusing on our colors green, yellow, black, and white. We have been working on counting to 25 and recognizing our months of the year during circle time. Our Valentine's Day / February crafts are coming down and ready to go home so keep an eye out in your child's art folder for those. We have been and are continuing to work on potty training, utilizing a sticker chart and fruit snack/ jelly bean incentives. The beginning of March brings us some very cold and rainy weather. Please be sure to write your child's name on the tag of their jacket to ensure it isn't mistaken as someone else's. We look forward too all of the fun crafts and activities March has to bring.

Hello Families,

I hope everyone had a great February and is having lots of fun in all this snow. We've been really enjoying watching out our windows for it and will continue weather watching. Now we are "marching" into lucky season, full of St. Patrick's Day fun. We will be learning letters Ll and Mm. Have a fun St. Patrick's Day and try to stay dry and warm all March long.

For the last two weeks of March we will be making shamrocks, and pots of gold. The letter for this month is L and all things starting with L. Finally to wrap up, we will be reading St. Patrick's day books, and reading "I'm a Little Leprechaun" poems.
