EASTER

Easter is only a few hops away! Our annual Easter egg hunt on Friday, March 29th. Information on hunt times and classroom parties will be posted closer to time.

WET CLOTHES

Please keep a spare change of clothing at Kinderland no matter what age your child is. Many children experience a "toileting" accident here because they get busy having fun and don't make it to the bathroom on time. When we change a child into spare clothes from Kinderland, we almost never have the clothing returned, which gets very expensive. If your child wets his/her clothing here, we will hand wash the pants, dry them in the dryer, and send the child home in his/her own clothing. Kinderland spare clothing will remain at Kinderland.

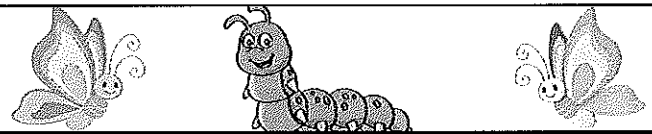

SAVE THE DATE PRE-K GRAD

The Hoppy Frog Pre-K Graduation is quickly approaching. We have it scheduled in the evening on Friday, May 17th. There will be more information in next month's newsletter.

BUTTERFLIES

It is time to start our annual study of the butterfly life cycle. Our butterfly eggs will arrive March 14th. Each room will have their own butterfly habitat and larvae so that they can watch the metamorphosis process. We are hoping to have some hatching over spring break. Be sure to ask your children about the butterflies.

PICTURE DAY

Lifetouch Preschool Portraits will be here March 28th & 29th for spring pictures and cap & gown pictures for our graduating Hoppy Frogs. The picture schedule is as follows:

March 28: PreK/Graduation & Preschool

Pre-K & Preschool Siblings

March 29: Infants & Transition w/o siblings

Drop off / Pick-up...

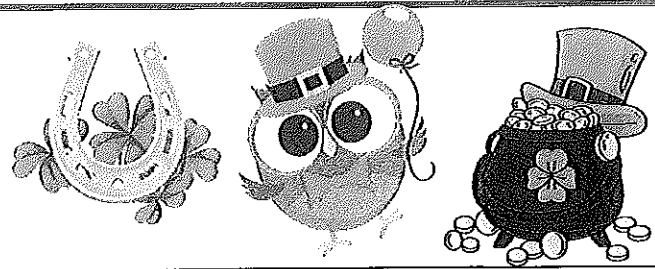

When dropping off / picking up your child, please remember that our teachers are supervising a classroom full of children. If you need more than a couple minutes to talk about any concerns or questions you have about your child's day, please make an appointment to meet with your child's teacher in advance. We need a one day advance notice for a meeting request.

WHAT'S GOING ON IN OUR CLASSROOMS?

INFANT 1

Happy March families! We are so excited to reach new milestones and learn new things. Our little friends will be focusing on vehicles and things that go this month. We have lots of fun art activities planned and can't wait for you to see it displayed in our class. As warm weather approaches quickly, please bring in weather appropriate clothes to switch for the winter ones. We will be wearing green on Monday, the 18th to celebrate their first St. Patty's Day! We will also be doing a small Easter egg hunt / celebration for Easter this month.

Thank you so much!
Miss Bri, Miss Jazmine & Miss Brandy

INFANT 2

Baby Sharks

In our classroom our lessons will focus around the book Brown Bear Brown Bear What do you see. While there are many colors explored in the book the colors we will be learning about are blue, yellow and green. We will continue our counting 1 to 5. As well as learning the letters S & B. Please take some time to explore some of the learning in our classroom with your child. When your child sees you are interested in what they are learning. They will be more apt to learn more.

TRANSITION

Welcome to the month of March. We had so much fun in February with all the art and the Valentines Day Party too. This month will be doing a lot of fun art and reading books about what happens in the month of March. In the Transition classroom we're doing very well still with our potty training and learning on how to blow our noses and washing our hands. This months new shape will be circle and our new colors for this month will be green and gold. We're still having cold weather in the morning and sometimes in the afternoon. Please bring a jacket for your child. Also, transition parent's that have little ones that are in underwear, please don't forget to bring extra clothes. Thank you so much
