KOOL APRIL NITES

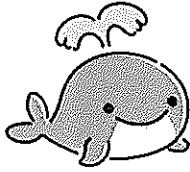

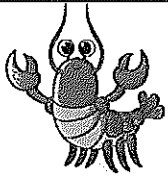

Friday, April 26th is the annual Kool April Nites cruise. Many of the nearby main streets are closed for this event, and Victor Avenue becomes a traffic detour. So, Kinderland is affected by the increased number of vehicles. Please plan your pick up time accordingly if you are one of our families that picks up after 6:00 p.m. You will need to add approximately 10 - 15 minutes to your usual driving time.

THE WEATHER IS CHANGING

Summer is quickly approaching, but isn't quite here yet. Please remember when dressing your child for daycare, the mornings are still chilly and a jacket is necessary for outside play. Also, please remember that all sandal type shoes need to have backs to be worn here. Thank you.

WHAT'S GOING ON IN OUR CLASSROOMS?

INFANT 1

Yay for April! This month we are learning about the ocean and its animals. We will also be working on the letter D and its sound. We are so excited to have miss Jodi and Miss Esther joining our classroom as well as the friends that brings. If you haven't, please bring in a pair of shoes or slippers for your little one to go outside as well as some warmer weather spare clothes. Thank you so much!

TRANSITION

Happy April! We are so excited Spring is finally here and we are taking full advantage of the beautiful weather outside. This month we will be focusing on all things spring and what is happening in nature as seasons change. As many of you know, we are counting down the days until our classroom caterpillars turn into beautiful butterflies and we get to release them outside. We have had fun learning all about life cycles of caterpillars and parts of a butterfly. As always, we are working hard on potty training and utilizing our sticker charts. If you would prefer to collaborate on an individualized potty-training plan, please come and talk to us.

PRESCHOOL

Hello again preschool families, Spring has officially sprung. I am excited to teach you littles all about butterflies, bumble bees and lady bugs for April. We are loving the warm spring weather which means we are going to spending more time on the playground. It is still cold in the morning so make sure to bring a jacket for you little one. We have a busy schedule for April. We will be learning the letters Nn, Oo, Pp and Qq. Our colors are pink and white. Our shape this month is our favorite pointy shape, the triangle. Make sure parents to check the green box regularly for new artistic treasures. There is always cool stuff inside.

INFANT 2 Baby Sharks

Hooray for spring. We are finally done with winter. In our classroom we have enjoyed learning so much through out the winter months. But with the new season comes new ideas. So, our curriculum this month will include all things new like baby animals and plants. Along with the shapes circles and rectangles and the colors green and orange. Finally, we will learn about the numbers 1 – 5 and the letters B and F. Now that the weather is so much more pleasant, we will be going outside to learn and explore. Please remember to provide socks, shoes and jackets for you little one.

Miss Cindy & Miss Shaunda

PRE-K

Wow this school year is almost over! Only two more months and we will blend in with the summer School Ager (more info to come next month.) Everyone has been working so hard getting ready for TK or Kindergarten. I am so proud of all of my Hoppy Frogs and thankful that you chose Kinderland.

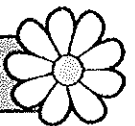

Save the date for the Hoppy Frog graduation on Friday **May 17th**. There will be singing and yummies for the celebration.

Zoo-ponic friends this month are Vincent Vampire Bat, Willie Weasel and Xavier Fox. Along with shades of blue, the shapes are triangle and sphere. We will be doing April showers bring May flowers, plants and gardening. Helpful note: Shoes must have backs with warmer weather here/on the way please have backs on shoes. Thank you.
